

	Type	Hits	Search Text
1	BRS	8	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and channel near first and channel near second and frequency
2	BRS	2	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and channel near first and channel near second and frequency and stage and filter
3	BRS	6	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and channel near first and channel near second and frequency and rf
4	BRS	5	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and channel near first and channel near second and frequency and rf and filter
5	BRS	4	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and channel near first and channel near second and frequency and rf and filter and mixer
6	BRS	19	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and frequency and rf and filter and mixer and antenna
7	BRS	2	(dual-mode or (dual adj mode)) near2 receiver and first near mode and second near mode and frequency and rf and filter and mixer and antenna near first
8	BRS	10	first near antenna and second near antenna and filter and mixer and first near mode and second near mode and rf and frequency
9	BRS	3	first near antenna and second near antenna and filter and mixer and first near mode and second near mode and rf and frequency and synthesizer

	Type	Hits	Search Text
10	BRS	5	first near antenna and second near antenna and first near mixer and second near mixer and first near mode and second near mode
11	BRS	2	first near antenna and second near antenna and first near mixer and second near mixer and first near mode and second near mode and synthesizer and (distan\$5 or spac\$5) and frequency and oscillator and radio and band and switch
12	BRS	4	gsm and iridium and (dual-mode or (dual adj mode)) and ico and synthesizer
13	BRS	10	gsm and iridium and (dual-mode or (dual adj mode)) and ico and cellular and satellite
14	BRS	9	terrestrial near cellular and dual-mode and rf and channel and spacing and gsm and frequency and oscillator
15	BRS	4	terrestrial near cellular and dual-mode and rf and channel and spacing and gsm and frequency and oscillator and filter
16	BRS	3	terrestrial near cellular and dual-mode and rf and channel and spacing and gsm and frequency and oscillator and filter and mixing and first and second
17	BRS	3	terrestrial near cellular and dual-mode and rf and channel and spacing and gsm and frequency and oscillator and filter and mixing and first and second and receiver
18	BRS	3	terrestrial near cellular and dual-mode and rf and channel and spacing and gsm and frequency and oscillator and filter and mixing and first and second and receiver and ico
